

SCHOOL YEAR 2023-24

Dear Parents,

If your child has a diagnosed allergy, please provide us a doctor's report specifying your child's allergy to keep in your child's file. If you need more information, please see the Parent Handbook.

As much as possible, Evergreen supports each child's special dietary needs. While we attempt to meet specific food restrictions, we are unable to accommodate individual food preferences other than vegetarian or vegan options.

Best,

Evergreen Community School Faculty
