

Family photo for the Family Photo Album

We have a tradition of creating an Evergreen family book each year with family photos of all of our families. We hope this will be useful as a way to introduce everyone to each other and for you to put names with faces. To put this book together, we need you to please email us a favorite family photo for the book. Nothing formal needed—a favorite photo from a family vacation or a recent photo from your phone is great! Please be sure to give us the names of all the family members in the photo too!

Please email to Simone: simone@evergreencommunityschool.com
or if you'd prefer to use the one from last year, let us know. Thanks!
